

2026 Southeastern Angiographic Society Annual Meeting

October 7–10

The Wild Dunes Resort
Isle of Palms, SC

Southeastern Angiographic Society (SEAS)

Southeastern Angiographic Society (SEAS) was founded in 1974 by a group of radiologists who were primarily involved in catheter angiography. SEAS is incorporated in the State of Georgia and now has members from all over the Southeast.

This year's meeting will host a variety of speakers discussing a broad range of topics. We will look at where Interventional Radiology has come from, where we are now, and where we are headed.

With the wide range of Interventional Radiology procedures, private practice and academic IR practitioners come together to discuss research, techniques, and devices. With an emphasis on patient selection, increased success and decreased complications, this meeting focuses on improving outcomes and advancing IR.

OFFICERS

PRESIDENT
Zachary Bercu
Emory University
Atlanta, GA

VICE PRESIDENT
Joanna Kee-Sampson
Wake Forest University
Advocatehealth
Jacksonville, Florida

SECRETARY/TREASURER
Daniel Siragusa
University of Florida
Jacksonville, FL

JOINT ACCREDITATION: In support of improving patient care, the Duke University Health System Department of Clinical Education & Professional Development is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing education for the health care team.

CREDIT DESIGNATION: Duke University Health System Department of Clinical Education and Professional Development designates this live activity for a maximum of *14 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

RESOLUTION OF CONFLICTS OF INTEREST: Duke University Health System Clinical Education & Professional Development has implemented a process to resolve any potential conflicts of interest for each continuing education activity in order to help ensure content objectivity, independence, fair balance, and the content that is aligned with the interest of the public.

POLICY ON FACULTY AND SPONSOR DISCLOSURES: It is the policy of the Duke University Health System Clinical Education & Professional Development to require the disclosure of anyone who is in a position to control the content of an educational activity. All relevant financial relationships with any commercial interests and/or manufacturers must be disclosed to participants at the beginning of each activity.

ADA STATEMENT: If you need auxiliary aids or services identified in the Americans with Disabilities Act in order to attend this conference, please call Debbie Griffin at **919.215.3599** or by e-mail at seasinformation@gmail.com.

The Wild Dunes Resort, Isle of Palms, SC

Wild Dunes is an oceanside, gated community located on the barrier island, the Isle of Palms. Just minutes away from historic Charleston, SC (consistently listed as a top city per Conde Nast Traveler), it offers the best of both worlds with its beachside accommodations & quick access to historic downtown Charleston. All event spaces are within a 1-4-minute walking distance to accommodations, onsite restaurants, and the ocean. Amenities include 2 golf courses, the Spa at Sweetgrass, 17 tennis courts, 6 pools, and various dining outlets.

Meeting Registration Fees:

\$250-SEAS Member | \$450-Non-Member | \$0-Spouse/Trainee/Vendor

Registration fee includes:

- Continental breakfast and break each day
- Welcome reception Wednesday evening
- Dinner event for meeting attendees and their guests on Thursday evening (RSVPs will be required closer to event)

Additional Social Events

- Pickleball and Tennis tournament
- Golf tournament

The Wild Dunes Resort, Isle of Palms, South Carolina

Run of House at Sweetgrass Inn, Boardwalk Inn or Residence at Sweetgrass Inn – \$279

Room rates quoted above are subject to tax, which is currently 14% sales and accommodations tax and 16% Resort Services Fee. A Charleston County destination fee of two dollars and a beach re-nourishment fee of two dollars per occupied room night will be applied to each guest folio. Taxes are subject to change without notice.

The Resort Fee provides for use of resort activities and amenities. These activities and amenities include:

- Complimentary access to indoor and outdoor games & gaming consoles
- Complimentary putting green and pitching green access
- Two complimentary bottled waters daily in guestrooms & use of hydration filling stations
- Complimentary seasonal Island Adventures recreation activities
- Complimentary in-room coffee
- On-property resort transportation services
- Unlimited use of fitness center
- Unlimited internet access in all accommodations
- One hour of complimentary tennis court time daily after 12:00 pm
- 24-Hour Resort Security
- Preferred Dining Reservations
- Preferred Golf Tee Times
- 10% off at select retail outlets

Reservations may be made by calling **843.886.6000** or **877.803.7534** and referring to SEAS (Southeastern Angiographic Society) 2026. Rooms are being held at the above rates until **September 7, 2026** or until the room block is full.

LEARNING OBJECTIVES

Learning Objectives

The Annual Meeting of "SEAS" encourages active interaction between attendees and faculty, which results in a highly collegial exchange of information. This year's program will cover a broad range of topics, as we look at where Interventional Radiology has come from and where we are headed.

At the conclusion of this activity, participants should be able to:

- Discuss the history of IR and identify potential goals for the specialty.
- Identify recent advances in embolization therapy.
- Review advanced techniques in arterial, venous and lymphatic interventions.
- Discuss recent advances in a variety of non-vascular procedures.
- Have a greater understanding of the clinical parameters surrounding patient selection and potential pitfalls for a variety of IR procedures.
- Identify education and research tools that could be incorporated into their practice.

The Southeastern Angiographic Society is open to any physician who practices Interventional Radiology. We have a strong commitment to education, and offer scholarships for free meeting registration attendance to IR trainees.
